

Franca Borthwick

Franca is a Vice President within Goldman Sachs Asset Management (GSAM). She joined Goldman Sachs in 2007 and is the department manager of the Regulatory Middle Office team which project manages various external audits and completes regulatory reports and filings globally.

Starting in June 2015, Franca will transition to a Credit Liaison role within GSAM's Trading and Market Strategies Group where she will be assisting with counterparty negotiation, the establishment of legal agreements necessary as it relates to derivative transactions, and providing guidance with regard to the impact of regulatory changes on derivative trading.

Before joining Goldman Sachs, she worked at Excellus BlueCross BlueShield as an Actuarial Statistician within the Pricing team and at MedAmerica as a Long Term Care Capital Markets Project Manager.

Franca received a B.A. in Mathematics from Nazareth College in 2003 and a M.S. in Finance from Rochester Institute of Technology in 2007.
